DATED : October 23, 2007
INVENTOR(S) : Lawrence Nathaniel Taugher et al.

Page 1 of 1

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

In column 10, line 34, in Claim 6, after “with” insert -- the --.

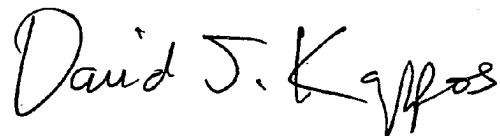

In columns 11-12, lines 11-16 of column 11 and lines 1-16 of column 12, delete “11. A method, comprising the steps of: receiving a plurality of images from a user; detecting a date on which each of the plurality of images was captured; evaluating a frequency of image capture over a period of time; identifying from the plurality of images, a group of images that comprises images recorded during the period of time; and presenting the group of images to the user as a photo album.

12. The method of claim 11, wherein the step of evaluating the frequency of image capture over the period of time comprises the step of: determining a period of time in which the frequency of image capture is increased relative to adjacent periods of time.

13. The method of claim 11, further comprising the step of: querying the user for information that describes a relation among the group of images.”.

Signed and Sealed this

Twenty-second Day of June, 2010

A handwritten signature in black ink that reads "David J. Kappos". The signature is written in a cursive, flowing style.
